

REMARKS

The Examiner is thanked for conducting a telephonic interview with Applicant's representative on May 28, 2010 and for providing suggestions on amending claim 1 to overcome cited prior art.

By the Response, as suggested by the Examiner during the telephonic interview dated May 28, 2010, claim 1 has been amended to further clarify the rear electrode layer as a whole being situated in the recess and electrically isolated by the insulating layer. No new matter has been added. Accordingly, claims 1-14 are respectfully submitted for consideration. Approval and entry of the amendments are respectfully requested.

In view of the amendments to the claims, and in further view of the foregoing remarks, it is respectfully submitted that the application is in condition for allowance. Accordingly, it is requested that claims 1-14 be allowed and the application be passed to issue.

If any issues remain that may be resolved by a telephone or facsimile communication with the Applicant's representative, the Examiner is invited to contact the undersigned at the numbers shown.

Further, while no fees are believed to be due, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 50-4525.

Respectfully submitted,
